Deutsche Telekom upgrades 1.5m broadband users to 250Mbps ultrafast services in under a month

By Chris Kelly (Mailto:chris.Kelly@Totaltele.Com), Total Telecom
Friday 12 April 19

The company has upgraded 75,000 street cabinets with super vectoring technology as part of its network modernisation programme

Deutsche Telekom has upgraded an additional 1.5 million customers to ultrafast broadband services, with speeds of up to 250bps, according to a company release. Germany's biggest telco now provides ultrafast broadband services with speeds of 250Mbps to in excess of 20 million households...
